Job Title: Freight Shipments Associate - \$750 Onboarding Bonus!

CELLTREAT Scientific Products is a supplier of laboratory products for the Life Science industry. In 2022 we added to our strengths with the acquisition of VistaLab Technologies. Our strong focus on our customers, team, and values creates a fun and rewarding work hard/play hard environment.

Come see what the Green Team has to offer, you're going to love working here!

What you can expect:

- Team members who "get it done" are appreciated, recognized, and rewarded
- Learn new skills, build your experience and grow with the company
- Share the prize – employee lunches, activities, recognition program, and more!

Join CELLTREAT as part of the Freight Shipping Team to help ensure customer orders are shipped timely and efficiently. Stay active during your workday in this fast-paced warehouse environment.

Schedule: Monday to Friday, 9:00 am - 5:30 pm
Some flexibility exists for proper candidate
Potential for overtime as needs arise

Salary: \$800 - \$950 per week based on experience
\$750 Onboarding Bonus paid upon completion of new hire onboarding program
Business performance-based incentives are estimated \$500 quarterly

Responsibilities Include:

- Pick orders and build pallet shipments
- Organize and prioritize shipments based on ship date
- Effectively communicate with team to ensure on-time delivery for all shipments
- Identify shipping issues and implement solutions in a timely manner
- Maintain warehouse organization and cleanliness
- Potential for creating BOL's and scheduling LTL Shipments while ensuring cost effectiveness
- Additional responsibilities to be determined

Skills Desired:

- Minimum of 2 years warehouse experience preferred
- Ability to lift and carry boxes (most products are light; some can be up to 35lbs)
- Proficient in MS Office (Excel, Outlook, Teams)
- Strong attention to detail
- Ability to work in a fast-paced environment
- Strong organization and communication skills
- Self-motivated
- Willing to take directions and receive feedback
