WHY CHOOSE BAMBOO?

BAMBOO IS:

- One of the Earth's fastest growing plants, which means it is a very sustainable material
- Strong and kid friendly - no sharp edges and no risk of breakage
- Biodegradable - when you decide to retire your bamboo products, return them to the earth!
- 100% natural, chemical-free, washable, and reusable - can be used safely in both hot and cold beverages

BY CHOOSING A REUSABLE STRAW, YOU ARE REDUCING HOW MANY PLASTIC STRAWS ARE MADE, THROWN AWAY, AND ENDING UP IN OUR OCEANS.

U.S. CONSUMPTION = ENOUGH STRAWS TO WRAP AROUND THE EARTH'S CIRCUMFERENCE 2.5 TIMES A DAY!

Do your part and say no to plastic straws. Refuse them at restaurants and bring your reusable bamboo alternative with you!

 **CELLTREAT**[®]
SCIENTIFIC PRODUCTS
www.celltreat.com

At CELLTREAT, we recognize our duty to conduct business in a socially responsible manner, and to contribute to organizations that positively support the environment and our community.

For each case of CELLTREAT product that is purchased, a portion of the proceeds will benefit environmental initiatives supported by CELLTREAT Scientific Products.
