

Sustainability Highlights

We recognize the importance of conducting our business in a socially responsible manner, and to contribute to organizations and processes that positively support the environment and our community.

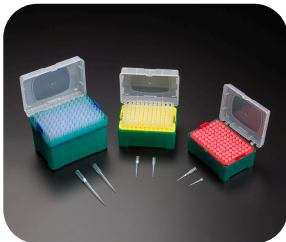

Reduce & Reuse

VistaLab Reservoir Family
Product core is made from reprocessed material, accounting for 50% of its composition

Pipette Tip Reload Systems
Reduces empty plastic rack waste

CELLTREAT & VistaLab Racked Pipette Tips
Racks are made from reprocessed material

Mindful Packaging & Logistics

- Pipet cases taped together to reduce carbon footprint when shipped
- Weekly pallets scheduled to minimize freight impact, to reduce carbon emissions

Recycle & Replenish

Paperboard Centrifuge Tube Racks
Economical, recyclable & replace styrofoam use
